

Columbia Tusculum Community Council Meeting  
1.15.18

Matt Yauch called to order at: 7:02

Fire Update: Captain Monty not present. (Weather/Holiday)

Police Update: Officer Butler not present. (Weather/Holiday)

River View East Update (Matt Yauch): Charlene Myers not present (Weather, MLK Day). Matt Ackermann spoke re: fleece sale for Riverview East. Donation came in recently to purchase 2 more fleeces. Goal is to buy child-sized fleece jackets with the Falcons logo on it with their mascot. Give them out as incentives. Dual purpose—keeps warm b/c some students don't have, and incentivizes to do well.

Treasurer Update (Matt Yauch): Karl Preissner not present. Sent financials to Matt Yauch. Year over year, net of a couple of hundred bucks gained in the account. Biggest item was home tour—gave us some growth in the account. More details next month.

2017 Year in Review (Matt Yauch): Kathie Hickey has departed, and some other board members have departed. Time to acknowledge good things due to everyone's efforts. Able to accomplish a lot. Matt Yauch read the items on the agenda. Matt Ackermann asked re: sidewalk cleanup. SORTA did not do the part between Stanley and Tusculum--not getting clean. Erin Heidrich will reach out to their lawyer re: cleaning up.

Wine Tasting & Art Show 1/27/18 (Matt Yauch): good event. 7-10pm. Janette Yauch: 6 tickets for \$25, 12 for \$45. Matt Yauch: We will have extra wine experts to reduce lines. Getting a drink won't be an issue this year.

Any other business: Janette Yauch: introduce the new board? Matt Yauch: president. Kathie Hickey: Vice President. Sick today, not here. Erin Heidrich: Secretary. Claire Davison: at large member. John Spieser: at large member, present. Jim Dechert: at large, not present. Chuck Hertel: at large, not present in Hawaii. Karl Preissner: Treasurer, not present, skiing. Aaron Burkhardt: at large, not present, skiing. Claire: should we reschedule next meeting b/c of holiday? Matt: no, because typically attendance is not affected. Low tonight because of snow.

Next meeting: 2/19/18, 7pm.
